BRIAN P. MALONEY, M.D., F.A.C.S.

AREAS OF EXPERTISE

Practice exclusive to surgical and non-surgical, cosmetic rejuvenation of the face and neck.

Physician administered Botox and injectables.

Brian P. Maloney, M.D., is an award-winning and internationally recognized double board-certified facial plastic and reconstructive surgeon who has been dedicated to creating beautiful results for his patients for over 28 years. Located in a private, park-like setting in North Atlanta, the **Maloney Center for Facial Plastic Surgery** offers a peaceful, calming location to undergo treatment.

Additionally, Dr. Maloney respects his patients' desire for privacy and does what he can to ensure that they are well taken care of and their personal

“The staff at The Maloney Center instantly made me feel comfortable! Dr. Maloney gave me a Botox mini brow lift, and immediately I could see the difference—my eyes felt like they were bigger and brighter! Honestly, I won't see anyone else for fillers now or anything for my face besides Dr. Maloney and have already referred many friends.”

—Stacie Haight Connerty, @stacieinatlanta

needs are met. **The goal of the Maloney Center is to give patients not only quality results, but also a pleasant experience.** Patients are instantly put at ease by the

warm and welcoming atmosphere of the office and the friendly, helpful team that includes Avery, Lindsey, Megan and Elissa.

Ample time is scheduled for patients to meet with Dr. Maloney one-on-one to discuss their aesthetic goals and any other concerns they may have. His patients include

celebrities, sports stars and people from around the world who enjoy his warmth, personal approach and artistry. A passionate believer in patient education for a successful outcome, Dr. Maloney spends the necessary time to ensure that every patient is well-informed before moving forward with a procedure. ▶
